Dear Hilda,

This year there will be one opportunity to have your work photographed for illustration in the 170th RHA Annual Exhibition catalogue. We would ask you to have your work delivered to the Royal Hibernian Academy on **Friday, March 3** in order for it to be photographed. Paintings should be unframed or loosely set in frames with minimum pinning. If you wish to collect your work in the time between the photography session and the final hand-in, please arrange to have your work collected on **Thursday, March 8**.

Honorary Members can submit up to 4 works in the Annual Exhibition and your forms are enclosed for completion. The completed forms should be returned to me by February 25. The hand-in day for Honorary Members' work is **Friday, March 24, 2000**.

Yours sincerely
